

Nautatava Navlakha
Civil Engineering
Indian Institute of Technology Bombay

160040007
UG Third Year (B.Tech.)
Male
DOB: 20/11/1998

Examination	University	Institute	Year	CPI / %
Graduation	IIT Bombay	IIT Bombay	2019	8.10
Intermediate/+2	CBSE	Shiv Jyoti, sr. Sec. school	2016	89.80
Matriculation	CBSE	Podar CBSE school, Jalna	2014	10.00

Internships and Research Projects

MERN Stack Developer | Skillate Industries Pvt. Ltd.

[May '18 – Jul'18]

A job matching platform for enterprises to make recruitment process hassle free platform using artificial intelligence

- Implemented design of career page into **single page web application** using React JS which fetches data from API dynamically; Also Integrated Google analytics, Google Jobs and SEO to expand reach
- Used **Server-Side Rendering** and **service-worker** for fast loads and offline working of application
- Ensured the applications received in career page reached the S3 storage and the application data were backed up in MongoDB in case MySQL isn't reached at the moment
- Built the Landing page from scratch using ExpressJs and Jade Templating Engine

SEO analyst | Toppr Learning | Haygot Education Pvt. Ltd.

[Dec '17 – Jan'18]

An online practice platform helping students prepare IIT JEE, PMT, school boards, and other competitive exams

- Worked with a team of marketers and analysts to learn **Search Engine Optimisation** from scratch
- Analysed keywords, competitors, backlinks, content, and other marketing tactics using tools like Google Webmasters, Ahrefs and SEOquake to provide creative and effective SEO solutions
- Ensuring content is updated by working with Content and Engineering team to **improve page rankings**
- Measures taken due to SEO analysis led to as much as **50%** increase in organic traffic on webpages and improvement in **google ranking** in just 20 days of implementation

Projects Undertaken

Distance Vector Routing

[Oct '17]

Computer Networks course project | Mythili Vutukru | IIT Bombay

- Used **Bellman Ford algorithm** for updating table entries to find distances of points via various paths
- The algorithm updates the routing table of a node so as to store shortest path to other nodes
- Implementation in C++ using concepts of maps, graphs and STL's(Standard Template Library)

TCP Analysis

[Sep '17]

Computer Networks course project | Mythili Vutukru | IIT Bombay

- **Graphically analysed client-server traffic** under diverse conditions using ns-3 and python
- Completed the analysis of how Reno-TCP controls congestion for efficient packet transmission
- Generated report with python consisting various graphs of the behavior of TCP under different loads

Key to value Server

[Aug '17]

Computer Networks course project | Mythili Vutukru | IIT Bombay

- Programmed a **server** using C++ which could fetch, put or delete a key from its database
- Designed the program to run with **multiple clients** and **shared database** amongst each other

90 Degrees Uniform Motion Transmitter

[Oct '16]

Engineering Drawing course project | Prof. K.P. Karunakaran | IIT Bombay

- Designed a **3-D simulation** of a handheld 90 Degree Uniform Motion Transmitter using SolidWORKS
- Worked in a team of two and secured 100% marks for **perfect assembly** in final submission

Awards and Achievements

- Secured an **AA** grade in Geodesy, Structural Mechanics I and Engineering Graphics & Drawing [2017]
- Acquired an All India percentile of **99.3%** in JEE Advanced 2016 [2016]
- Secured **99.80%** in JEE MAINS among 2 million students [2016]
- Awarded the NSTSE scholarship **3** times with an All India Rank **114** and state rank **4** in 2016 [2016]
- Demonstrated academic excellence in the Maharashtra Talent Search Exam by securing scholarship for all the **3 years**, securing a special **state prize** for excellent performance in 2013 and 2014 [12-14]

Technical Skills

Programming Languages	MATLAB, C/C++, Bash, Java, Aurdino, R
Web Development	React JS, Express JS, MySQL, Node JS, MongoDB, Pug
Software Packages	Android Studio, MS Excel, AutoCAD, SOLIDWORKS

Position of Responsibility

Department Academic Student Mentor | Civil Engineering [Apr '18 – Present]

Part of 24 member team selected for improving academic atmosphere inside the campus

- Responsible for **guiding 6 students of sophomore batch** to cope with academic difficulties, providing counsel for holistic development, covering backlogs and choosing relevant courses
- Selected out of **70** candidates based on peer reviews and extensive interviews

Department Head | Web and Finance | National Service Scheme [Apr '18 – Present]

NSS is the largest student volunteer body of IITB, serving >100K people nationwide via public welfare activities

- Working in a core team of 13 to **facilitate bridging among sections** of society through social service
- Involved in building new webpages, forms, sheets on demand of other departments/members of team
- Ideated **inventory** for NSS so to make things available at convenience when needed and reduce costs
- Handling budget of more than **1 Lakh INR** so that no activity faces financial issues while execution

Coordinator | Web and Creatives | Techfest, IIT Bombay [Apr '17 – Dec '17]

Asia's largest science and technology festival with a footfall of 1.65 lakh

- Complete ideation, designing and programming for the Techfest Android Application using Android studio. App released on Play Store with user ratings of **4.7 out of 5 stars**
- Designed **mobile responsive**, websites from scratch for different events organized by Techfest

Activity Associate | Events | National Service Scheme [Apr '17 – Apr'18]

NSS is the largest student volunteer body of IITB, serving >100K people nationwide via public welfare activities

- Part of a 4-membered team responsible for the **ideation and execution** of initiatives of the department like Cloth Collection Campaign, Meals of content, (L)earn a living while mentoring 40+ freshmen
- **Architected the content** for Invisible Humans, an initiative by NSS, IIT Bombay to bring light upon the unheard stories of people on campus to reach and motivate **50K+ people** nationwide
- **Proposed and executed new activities** to sensitise the volunteers and find solutions to problems faced by the people living in Orphanage and Old-age homes all over Mumbai
- Helped increase the social media presence of NSS IITB through activities like -
 - **Teacher's Day Video:** A special video which conveys the importance of teachers in our lives
 - **Artistic Impact:** A nationwide socio-art contest; participants from 15 cities from all over India

Interview Coordinator | Institute Placement Team [Nov '17 – Dec '17]

Placement Cell sends invitations to companies/organisations to conduct campus interviews in placement season at IITB

- Acted as bridge between companies and students appearing in interviews for Apple, Dr. Reddy's, EA Games, Michelin India, Hero Motor Corp Ltd. to prevent slot clashes and ensure smooth interview process
- Facilitated placements for **1600+** graduating students by conducting placement tests and interviews
- Assisted in **conducting Pre Placement talks**(PPT's) and tests of **60+** companies

Extra-Curricular Activities

- Bagged **second runner up** in logo design in Freshmen cultural competition - Freshiezza
- Made a science fiction movie **CODEBREAKER** in a team of 5 as part of summer film festival
- Part of organising team of "CURED-Can You Really Escape Diabetes?"- a PAN India Social Initiative, concerning 137 camps in over 50 cities of India held for spreading rural awareness of diabetes
- Completed **80+ hours** of community service such as teaching in NGO's as a NSS volunteer
- Analysed the working of Super Control Beyblades **practically verifying principles** of angular momentum
- Spearheaded team of 4 in making of a very compact **bot** controlled by android app via Bluetooth

Courses Undertaken

Relevant courses	Digital Image Processing*, Discrete Structures, Computer Networks, Computer Programming and Utilization
Additional courses	Numerical Methods in Civil Engineering, Introduction to Electrical and Electronics Circuits, Environmental Studies: Science and Engineering, Economics

***Courses will be completed by Nov, 2018**
